

Charming Pre-K & Kindergarten Handprint Graduation Gift Plaques!

Beautiful, Ceramic Kiln-Fired Art Tiles Make Treasured Keepsakes Forever!

We love to travel right to your location and classrooms to host a charming painting session with ceramic glaze paints that get clear-glazed and kiln-fired for stunning results...

All materials are completely non-toxic and wash easily off kids and clothes. Glaze colors can be tailored to match your school colors, if you like. Children paint their graduation scroll 3-dimensional piece that embellishes their plaque and we handprint them on their tile, then complete the project at the studios of Create! Color Art Studio. Plaques are 6" Square, Hanger on Backside Included!
