

First Holy Communion Blessing Cup Pottery Painting!

We travel to your congregation site and hold a wonderful, fun & creative ceramic-painting event for your children to design & paint their very own keepsake. Parents LOVE this concept and the kids LOVE using their blessing cup at their family celebrations! We have a relaxed, animated teaching style that's fun for the kids but at the same time, we guide them to produce lovely, meaningful symbolic artwork of their sacrament. Goblets are food-safe & dishwasher friendly!

Contact Laura at Create! Color Art Studio for more Info and a list of References.
